- **Change Management Specialist (CMS) | Management & Strategy Institute | Jan 2024 | Credential ID: 197380427**
- 

## Experience

### Hardcore Hammers / Production Lead

November 2020 - April 2021, Hillsboro, Illinois

- **Inventory Auditing:** Managed full-scale physical inventory audits by performing high-accuracy manual counts across all warehouse sections and reporting validated totals to management.
- **Departmental Leadership:** Co-led the grinding and finishing department for a high-precision tool manufacturer, serving as the primary technical trainer to establish quality standards for all product lines.

### Woods Basement Systems / Installer

September 2020 - November 2020, Collinsville, Illinois

- **Technical Field Execution:** Performed complex foundation repairs, including concrete stabilization and basement waterproofing, while conducting post-installation inspections to ensure customer satisfaction.
- **Team Coordination & Efficiency:** Collaborated with a specialized crew to complete multiple daily jobs, managing truck inventory and resolving previous installation errors to ensure projects stayed on schedule.
